Summary: Mike is just about to finish his final year for his masters in engineering, Jane is depressed and struggling. What happendeds when they meet and get to know eachother?

It's Just Me And You

"Jane open the door, Jane please, this is not healthy. " Yelled Max

"I'm tired, leave me alone, will you?" Rudly Replied Jane

"This is not healthy." Whispered Max

"I have the right to mourn, just let me be!" Yelled Jane

"It's been a week, and it was just your cat." Replied Max

"A cat I had for sixteen years!" Replied Jane

"Just let me in, you're not alone! I will help you, you just need to be open the door." Explained Max

"Maxine if you really cared you would leave me be!" Whispered Jane

"All right, fine! Jane don't come crying to me when you realize the mistake your making, I've been with you since the beginning, you can't just do that." Max yelled while she was walking away

XxXxXxXx

"Hey Mike ready for that test?" Said Will

"I'm going to fail it, I can't focus for the life of me!" Explained Mike

"You'll be fine, your Mike "the genius" Wheeler!" Answered Will

"Whatever man, I'm trusting you." Spoke Mike

They continued studying until they heard a loud pounding on the door.

"Hey Will mind if you get that, probably our Chinese" yelled Mike

But when Will opened the door it was a crying Max.

She explained that Jane was locking herself in her dorm and that she was mourning in a weird fashion,

Max knew she was depressed from school but after Jane's cat died it was the last straw for her.

"Mike you need to go do something, I know you don't know her well but she enjoys your presence and Will is just not cut out for it right now." Said Max

"Fine, I'll go see what I can do. You owe me one."

Then he parted to Jane's dorm

XxXxXxXxX

When Mike arrived he heard a strange noise from Jane's dorm and we was curious on what was going on, he noticed that the door was unlocked.

"Jane, you in there?" Mike asked

There was no answer, he's asked once more. No answer, so he decided to go in to the dorm.

What he saw was very shocking, Jane was on the ground curled up and sniffing. She had planed to leave her dorm to go get something to eat and had a panic attack.

"JANE," he ran up to her "are you okay?!" Mike asked

Jane slowly looked up and started to spill tears out of her eyes, no one had ever seen her like this, it was heartbreaking.

Mike spoke no more and just hugged her until she fell asleep. She was so sleep deprived that she slept 16 hours straight but Mike chose to stay with her for every single second, there was something about her that he couldn't put a finger on. Something good, something innocent.
